Subject: 7 Hills letter

Hi George, Andrea told me that the Corps sent a letter requiring an EIS for Seven Hills. Please provide me with an electronic copy of the letter. Following the MOA, we should have been informed that the letter was sent and provided a copy. We are getting requests from Peabody for a meeting. I don't see a need for a meeting with them until we understand the Corps position and the letter will help. We will also stress that any meeting they want to have with us will include you and FWS. Thanks.
